24 h – Ponti Romani

Description:

The famous XC race of 24h in Finale Ligure, a nice circuit, and in the end descend by Roman Bridge trail.

Start from MTB Hotel and climb to Le Manie. Arrived in Ristorante “Ferrin” turn right and start 24h circuit, a wonderful trail with nice panoramas on the sea. The last section of toboga is very funny. At the end turn right and descend the Roman bridge trail to Finale Ligure.

Length:

27 Km

Altitude difference:

1040 mt

Difficult:

EASY (XC – Trail)

Rocche Bianche - Orco - Boragni

Description:

Nice itinerary technically very easy, but nice for pedalling lovers.
Large off road, except for the last part of Boragni, the end of descent.

Length:

30 Km

Altitude difference:

1447 mt

Difficult:

EASY (XC – Trail)

Anello dei ponti romani

Description:

A incredible itinerary with your mountain bike on the ancient roman road with their bridge. Start from MTB Hotel and follow the river “Sciusa” to Calvisio then turn right to Verzi and “Via Iulia Augusta”. A nice trail start after a road climb, technical part mixed with easy climb take you to Arma’s Cave. There follow the track to Magnone and go down to the other side of Roman Bridge. When you meet the track again turn right and go downhill on the same road.

Length:

16 Km

Altitude difference:

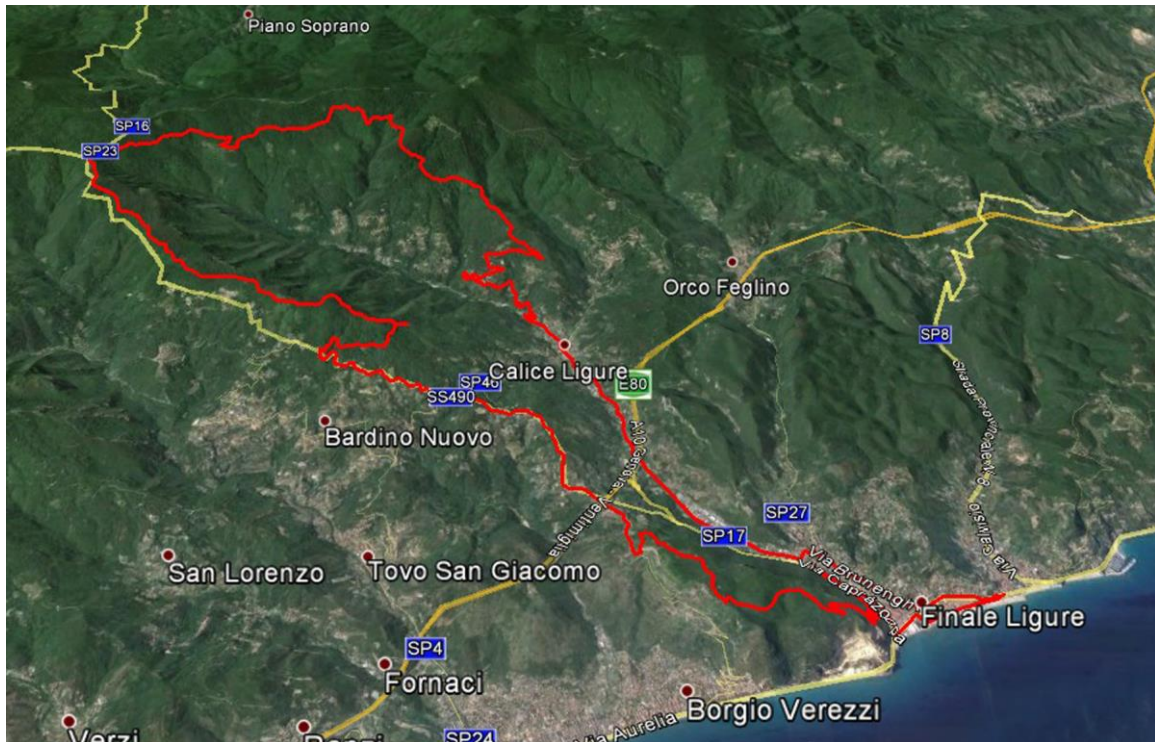

567 mt

Difficult:

EASY (XC – Trail)

Berea - Collarina - Napoleonica

Description:

Nice itinerary technically very easy, but nice for pedalling lovers.
Large off road, and easy trail.

Length:

43 Km

Altitude difference:

2314 mt

Difficult:

EASY (XC – Trail)

Cheirano - Melogno - Orco - Boragni

Description:

Nice itinerary technically very easy, but nice for pedalling lovers.
Large off road, except for the last part of Boragni, the end of descent.

Length:

44 Km

Altitude difference:

2328 mt

Difficult:

EASY (XC – Trail)

Cucco – Boragni – Cechi – Ponti 2

Description:

Start from MTB Hotel and climb to San Bernardino, then follow the off road trail going in the forest. Some rock make it not boring. Arrived near the Monte Cucco cliff you will meet the road. Climb to Orco and turn right near cimitero into a nice trail wit some technical part in the end. Arrived on the bottom climb again and turn right to a nice trail and in the end to the roman bridge trail with some technical rock.

Length:

25 Km

Altitude difference:

954 mt

Difficult:

EASY (XC – Trail)

Cucco – Stragropo – Pian Marino

Description:

Start from MTB Hotel and climb to San Bernardino, then follow the off road trail going in the forest. Some rock make it not boring. Arrived near the Monte Cucco cliff you will meet the road. Climb to Orco and continue on a large off road until the track turn left to take the last section of Stragropo, a very nice trail, fast and full of turn, not too difficult.

This will take you in Feglino. If you had enough is possible to go to Finale Ligure by road or you can turn right as indicated in the track and climb until San Rocco Church, then take a nice trail to go to Finalborgo passing in Pian Marino (a good pic nic area) and the castles of Finalborgo.

Length:

29 Km

Altitude difference:

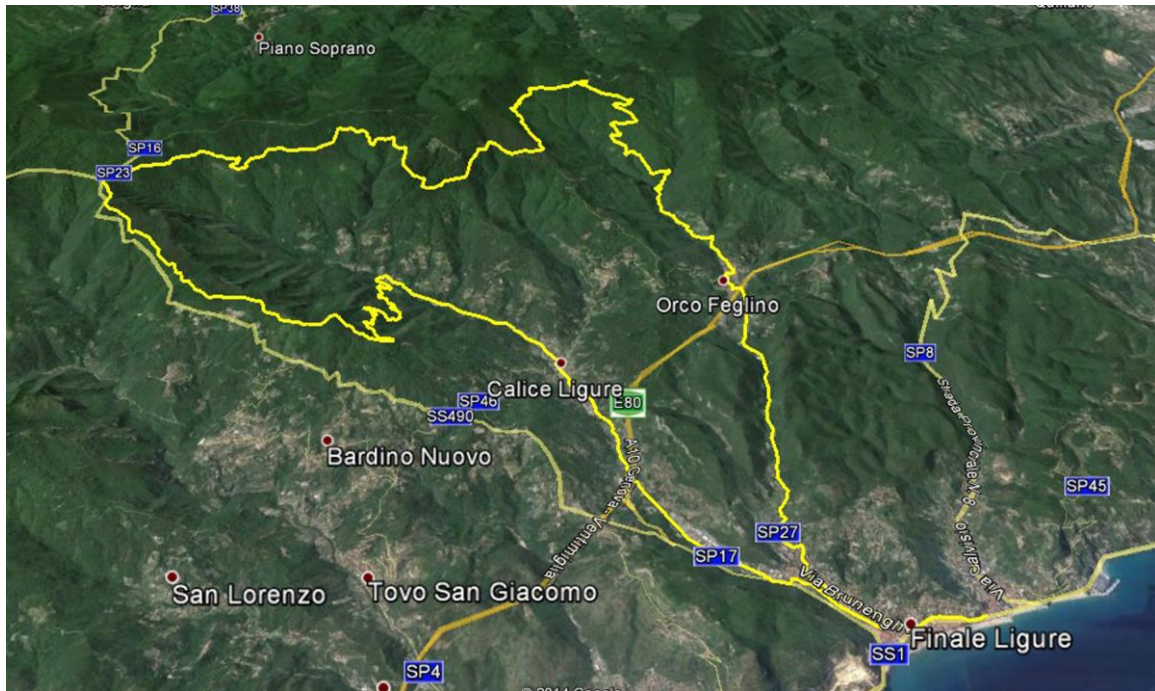

1144 mt

Difficult:

EASY (XC – Trail)

Ponte del Passo - Collarina

Description:

Nice itinerary technically very easy, but nice for pedalling lovers.
Large off road always.

Length:

46 Km

Altitude difference:

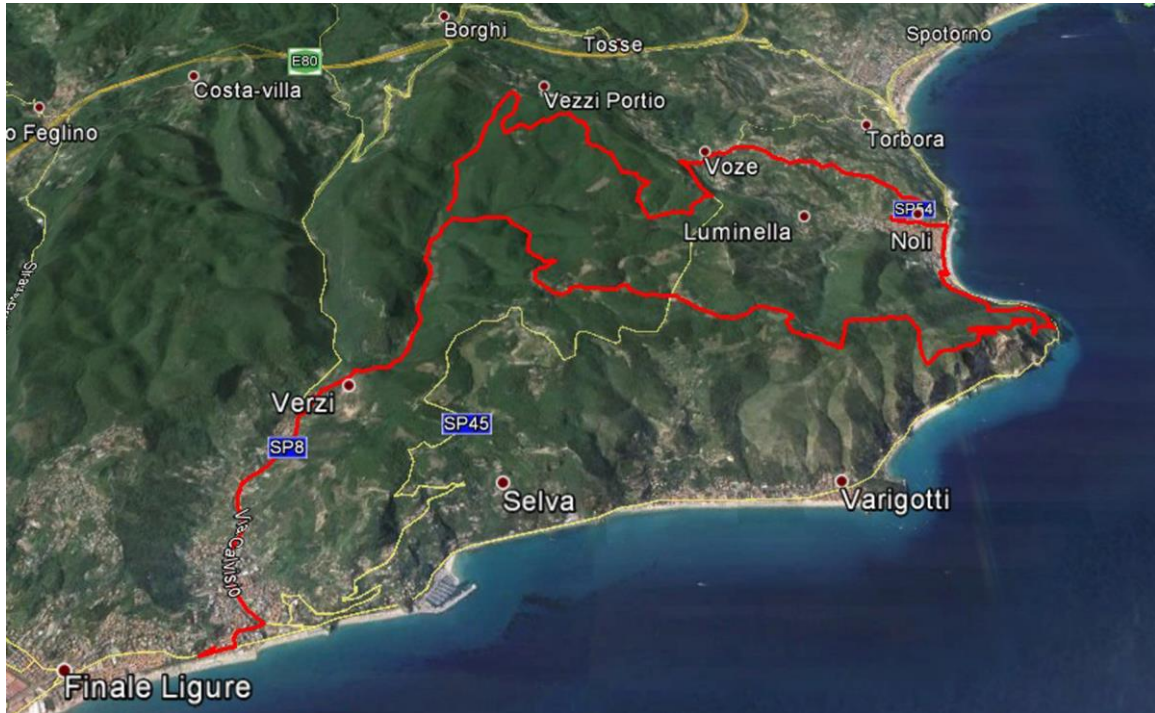

2362 mt

Difficult:

EASY (XC – Trail)

Ponti Romani – Noli – Magnone – Ponti 2

Description:

Nice itinerary XC trail, nice for pedalling lovers.

Nice Roman Bridge trail to climb Le manie, then down on a large trail to Noli with just a little technical part. Then up again to Magnone from Noli road and down by the other side of Roman Bridge trail. When you meet again the track, turn left and go down to Finale Ligure

Length:

24 Km

Altitude difference:

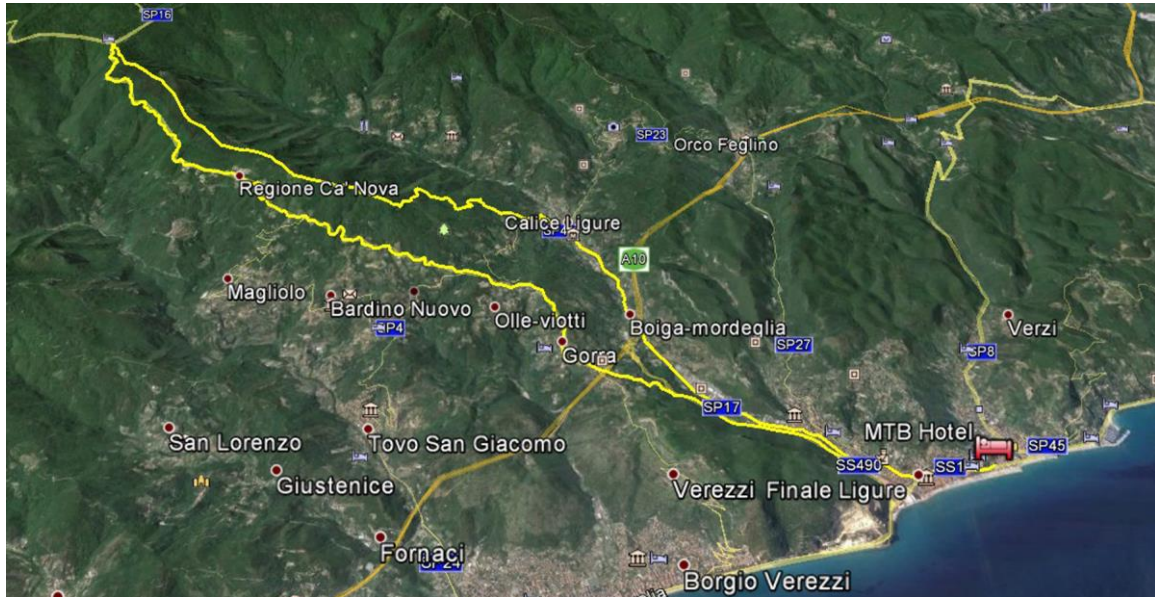

1228 mt

Difficult:

EASY (XC – Trail)

Ale Ale - Cacciatore

Description:

Start from MTB Hotel and climb to Melogno passing close to the highway, until you meet Din Restaurant, almost on top of Melogno (16 km climb). Here turn right on a off road and after 200 mt turn left on a trail. On the top Start “Ale Ale” trail, one of the most beautiful enduro trail in Finale Ligure. At the end follow the track on “Cacciatore” trail, another wonderful enduro trail going down to Calice Ligure.

Length:

31 Km

Altitude difference:

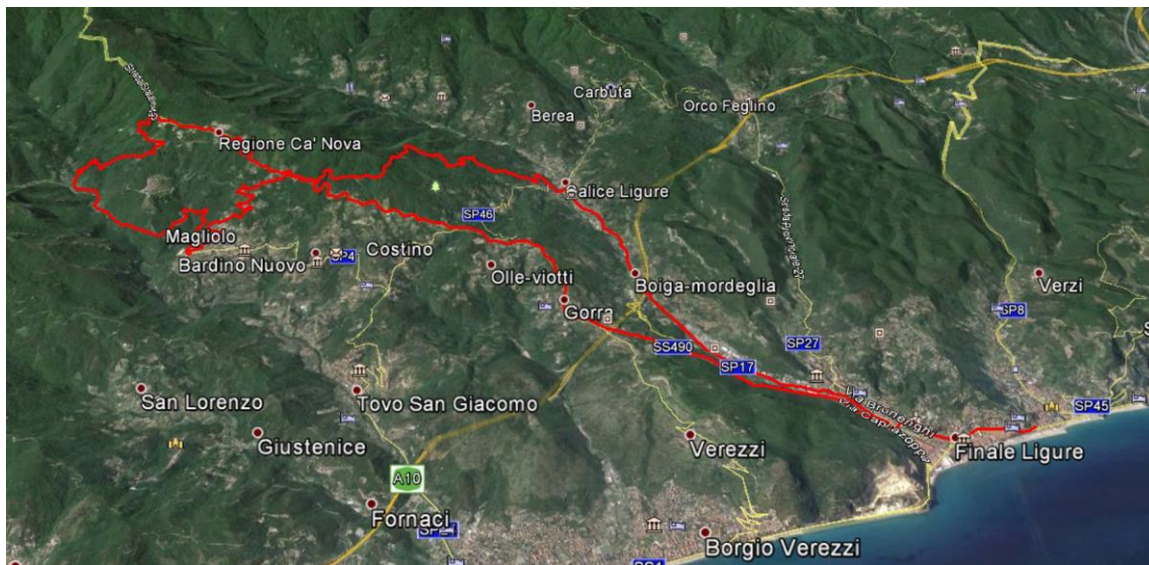

1281 mt

Difficult:

HARD (Enduro)

Canova - Guardia

Description:

Two nice freeride trail after a long climb. One of the most famous itinerary, a must in Finale Ligure. Start from MTB Hotel and climb the road of Melogno. Near Canova turn left and start “Toboga di Canova” trail. Simply wonderful. After climb again and take Madonna della Guardia trail, (Stage 5 of EWS 2013, the best one) a rocky and physical trail, fast and hard. Arrived in Calice Ligure come back to Finale by road.

Length:

32 Km

Altitude difference:

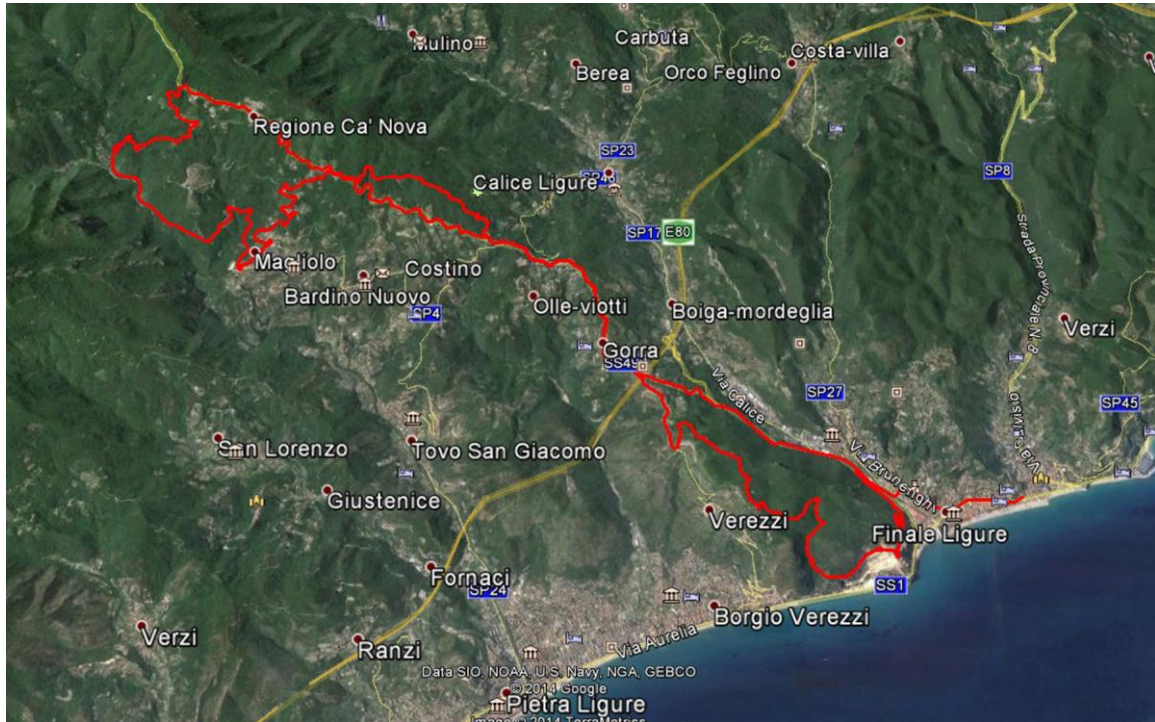

1370 mt

Difficult:

HARD (Freeride - Enduro)

Canova – Pantaleo - XX

Description:

Start from MTB Hotel and follow the road to the highway, then climb to Melogno until little Canova village. Some part of this road are the same when you come downhill, so stay on the main road until the top of the track, then follow the deviation after, coming down.

Canova is a nice Toboga extremely funny. Good turn and edge.

After the track will take you to San Pantaleo, another good trail not too difficult and amusing.

In the end follow the road going down then turn right to take XX Trail, nice new trail on top of Caprazzoppa. It will finish in a stone quarry, and in another easy trail that take you in Finalborgo.

Length:

34 Km

Altitude difference:

1514 mt

Difficult:

MEDIUM (All mountain - Enduro)

Caprazzoppa Enduro

Description:

Start from MTB Hotel and go to Finalborgo, here take Napoleonica off road climbing to Caprazzoppa. On top the trail became nice and easy, but when start to descend (close to a Madonna's statue) it became hard, technical and rocky. This trail was Stage 2 and 6 of Enduro World Series 2013, the hardest one.

Length:

10 Km

Altitude difference:

412 mt

Difficult:

HARD (Enduro - Freeride)

Caprazzoppa XC

Description:

Start from MTB Hotel and go to Finalborgo, then follow the off road Napoleonica climbing to Caprazzoppa. This climb is for strong leg. On the top you will find a nice trail in the forest. Follow the track and arrive to Gorra. There turn left and climb a little. On top turn left again. After a hard climb will start a nice trail with some technical rock. After the trail go up and down for a little part and then down to XX trail, funny and nice. In the end of the trail turn left to climb to a rock quarry, overtake it and meet again the Napoleonica off road. This time go downhill.

Length:

17 Km

Altitude difference:

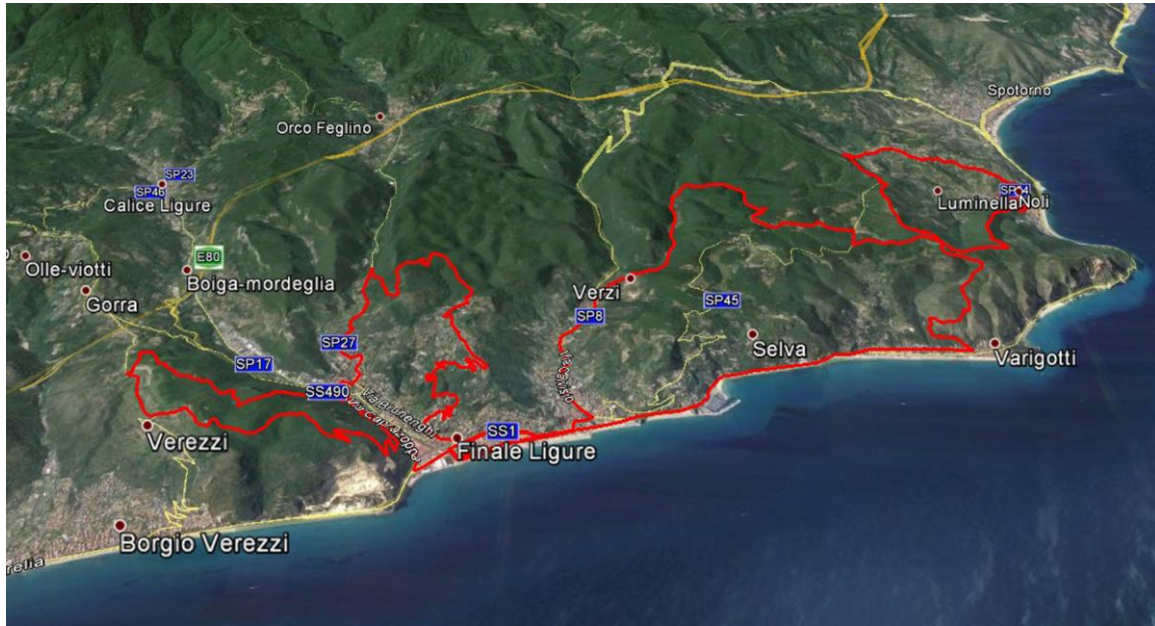

656 mt

Difficult:

MEDIUM (Trail – All Mountain)
